Description of Proposed improvements to home:

There will be no changes to site plan. The proposed changes will include: Replacement of old rotted shingles on dormers and front and rear of property. They would be replaced with CertainTeed cement board siding – Color is “Alpine Frost” – The upper portion would be scalloped to conform to the adjacent buildings in keeping the historic features. We would change out the attic windows to match adjacent windows on structure. Paint of adjacent trim and non replaced items will be white. See attached depictions...

Pursuant to Article IV, Section H of the Zoning Ordinance of the city of Rensselaer, I hereby apply for a Certificate of Appropriateness to do the proposed work as described above.
